EMEA Intelligence: International Intelligence & Surveillance Technologies Conference and Exhibition targets to meet the demand in the region to address key issues in the common menace of today: terrorism.

Attendees and exhibitors engaged in all levels of intelligence and surveillance will find EMEA Intelligence of high value.

EMEA Intelligence's motto is 'Tomorrow is what you make it today!' Aside from discussing today's issues in intelligence, we will also be discussing foreseeable future issues, technologies, risk analysis & management.

Experts from all over the world will join us in addressing common interests and risks, highlighting the importance of interconnectedness and firm infrastructures.

The exhibition area attached to the conference halls, will showcase new technologies and ideas in related fields.

In today's world, we are driven to become aware of common international interests, and the importance of mutual cooperation and communication on an ever growing scale. I am confident that EMEA Intelligence will lead the way in building ourselves a safer tomorrow, starting from today.
